PLAN TERMS

- This is an in-house dental savings plan and is not dental insurance.
- The plan is valid only at the enrolling practice and for the membership term shown above.
- Membership cannot be combined with insurance, other discounts, or special offers unless the practice specifically permits it.
- Included preventive services and member savings are those shown in the practice's current VIP plan description.
- Membership fees are non-refundable. Unused included services do not roll over beyond the membership term unless the practice states otherwise.
- The dentist determines the appropriate preventive schedule and treatment recommendations based on clinical findings.
- Third-party treatment financing is separate from VIP membership and is available only when permitted by the financing partner and the practice.
